Dear Deane,

Thank you for providing the update on the Kalispel Tribe visit. We are looking forward to the Kalispel Tribe visit next week, hearing the tribe's concerns, and having a better understanding the tribe's perspective on the Pend Oreille temperature TMDL and the Kalispel Tribe's proposed basic assumptions so that we can provide legal, technical, and policy input to the Region as it reviews the Washington State TMDL.

Based upon your comments on the allotment of time, I have updated the draft agenda (attached). Also, we are now planning to have Region 10 participation via videoconference.

*(See attached file:*

*jul\_20\_2012\_mark\_up\_kalispel\_agenda\_draft.docx)*

Felicia Wright, Office of Water Tribal Coordinator, plans to meet you, Rick, and Zach at the entrance to Ariel Rios North to escort you from the security checkpoint to room 2530. Please allow about 10 minutes to get through the security checkpoint and to room 2530 once you arrive at the Ariel Rios North Building. Attached is a Google map of the Ariel Rios Building, and the arrow points to the entrance at which Felicia plans to meet you. Felicia's Blackberry number is (202) 281 6335; please don't hesitate to contact Felicia if there is any confusion about which entrance is the Ariel Rios North entrance upon your arrival.

*(See attached file: jul\_20\_2012\_map\_for\_d\_osterman.docx)*

Please contact me with questions about the Kalispel Tribe visit.

Sincerely,  
Sarah
